Nikkiso strengthens sales of pumps and aftermarket service in Europe – LEWA and Geveke facilities start handling ACD pumps –

Nikkiso Co., Ltd. (“NIKKISO”) will start handling ACD pump products manufactured by the US subsidiary Cryogenic Industries Group (“CI Group”) at the facilities of European subsidiaries LEWA and Geveke in order to strengthen sales and aftermarket service in Europe. The LEWA and Geveke facilities will be fully operational by January 1, 2020.

The new centers are located in LEWA NIKKISO Italy, LEWA NIKKISO Austria and Geveke, Netherlands. Services offered will include pump repair, oxygen cleaning, a pump exchange program, dedicated inventory, product training, and 24/7 customer support from certified technicians. The formation of this alliance will enable us to provide quick service tech dispatch and a dedicated inventory guaranteeing parts availability.

We will continue to enhance customer satisfaction by strengthening cooperation among Nikkiso Group companies in order to provide high quality services that meet the needs of customers in each region.
